The senate will send the tariff bill back to the house right after the 4th and a conference committee will get to work on it inside of two days. The new bill will become a law inside of thirty days.

We understand that the Santa Fe has already commenced the work of retrenchment and economy on the western division of the road by cutting wages. Shopmen at Needles have been notified of a cut of two and three cents an hour.

Hailstones fourteen inches in circumference fell in Topeka, Kansas, last week. Dogs were killed, people had their skulls fractured and a vast amount of damage was entailed by the storm. Kansas is bound to get to the front with phenomena.

Murderer Parker has obtained a stay for thirty days to enable his attorneys to perfect an appeal in his case to the supreme court. Yavapai county people may become impatient and give a hanging exhibition on July 4th. In cases of the Parker kind no appeal should be allowed.

The Phenix Herald would have it known as a fact that only two republican papers favor M. H. McCord for the governorship—The Republican and Journal-Miner. The Herald would have been far more truthful had it stated that only two republican papers were opposed to McCord's candidacy—the Citizen and Herald. The fact of the matter is there are only eleven republican newspapers published in Arizona and of this number seven are supporting McCord and two are opposed to him for purely personal reasons. The other two republican papers do not care to enter the contest of mud-slinging and are perfectly willing to accept McCord as governor should he be confirmed. The men who are opposed to McCord do not represent the people nor even a small part of the republican party. McCord was and is the choice. The Herald will have a hard time convincing anyone that it represents the republican party of Arizona.

Who will get it?

Schilling's Best tea is not only pure but it is-----?-----because it is fresh-roasted.

What is the missing word?

Get Schilling's Best tea at your grocer's; take out the Yellow Ticket (there is one in every package); send it with your guess to address below before August 31st.

One word allowed for every yellow ticket.

If only one person finds the word, he gets one thousand dollars. If several find it, the money will be divided equally among them.

Every one sending a yellow ticket will get a set of cardboard creeping babies at the end of the contest. Those sending three or more in one envelope will receive a charming 1898 calendar, no advertisement on it.

Besides this thousand dollars, we will pay \$150 each to the two persons who send in the largest number of yellow tickets in one envelope between June 15 and the end of the contest—August 31st.

Cut this out. You won't see it again for two weeks.

Address: SCHILLING'S BEST TEA SAN FRANCISCO.

W. J. Bryan's journey to the coast is one continuous oration. Thousands of people congregate at the little stations along the route to get a glimpse of the silver champion. Californians are preparing to accord him a warm and generous welcome.

With the building of the railroad from the main line at Kingman into the White Hills, which in all probability will be in the near future, a vast field of mineral wealth will be opened up and help to make Arizona what she is fast becoming, the mineral treasury of the United States.—Jerome Reporter.
